- Fully comprehensive insurance
- Road Tax Included
- Free loan of jacket

You need to hold a UK Provisional Driving Licence, and have obtained a Compulsory Basic Training (CBT) Certificate.

**Community Transport Grants**

The county council supports the development of not-for-profit community transport groups and services. Many community transport schemes are self-financing, but some community transport schemes may require direct financial support in the early stages of development.

- Small start-up grants of up to £1,000 are available to help groups in the early stages of development.
- Grants are also available for training volunteer drivers to MiDAS standard. (MiDAS stands for Minibus Driver Awareness Scheme) The scheme helps improve minibus safety by working with the provider to improve driver standards. Training can be arranged through our Integrated Training Unit or other provider if required.
