Subject: Grant Award

Dear Cassie,

Would you kindly pass on St Mary" s Bellringers grateful thanks to the Grant Awards Committee last year for the gift given to St Mary's Bellringers towards new ropes.

We have now received these and they are proudly fitted to the bells.

The old ones were quite worn and in danger of breaking (which is not pleasant to the ringer if it happens, and possibly dangerous) They should last us for another 15 years or so, therefore no danger of ringing having to cease during that time. Most people seem to enjoy the bells and we receive more adverse comments if we don't ring rather than complaint's , which is rewarding.

With our grateful thanks.

Rosalie

(Tower Captain)
