Subject: Re: CAAC tomorrow

Thank you Lizzie.

I have spoken to the Chairman and he thinks it is not necessary to meet for just the one application.

Our thoughts on 6 Bell Lane are, 'No Observations'

Under AO B we would have been noting that the Dentist at 16 High Street have now got a flag on the pavement. Do they need a licence for this as it is on the public footpath and not on their frontage? It seems a bit dangerous to me, people possibly knocking into it as the pavement is already narrow with their ABoard.

Thank you again
