

THAME

Town Council

How the council spends your money to make Thame a great place to live, work, visit & enjoy.

Precept 2025-26

Thame Town Council does not receive any direct funding from central government or business rates. Our primary source of income comes from the Precept, which is a share of the Council Tax that is collected from each household by the District Council. This is calculated on an average household (Band D property).

The contribution you make through the precept is used to run the Council and maintain and improve the facilities, activities, and services that the Council provides in Thame and Moreton.

Here, we explain the contribution you make to the Town Council through your Council Tax and how it is spent:

In considering its proposed budget for the coming year and assessing the funding required to deliver its services, Thame Town Council estimates that its total expenditure in 2025/26 will be in the region of £1,102,425, an increase from last year of £81,809.

In 2025-26, this will be funded by a charge of £213.86 per year (£4.11/week) for a Band D property through the precept portion of Council Tax, equating to an annual increase of £12.42 per year (24p per week).

THE COUNCIL HAS ALLOCATED:

£10,000 for the Red Kite Family Centre.
£10,000 for Thame Senior Friendship Centre.
£15,000 towards a Youth Worker (retained).
£6,500 contribution towards Citizens Advice Service.

£20,000 to cover the government's increase of employer national insurance contributions from 13.8% to 15%.

£5,000 funding has been reserved to create a play equipment pot for all parks.

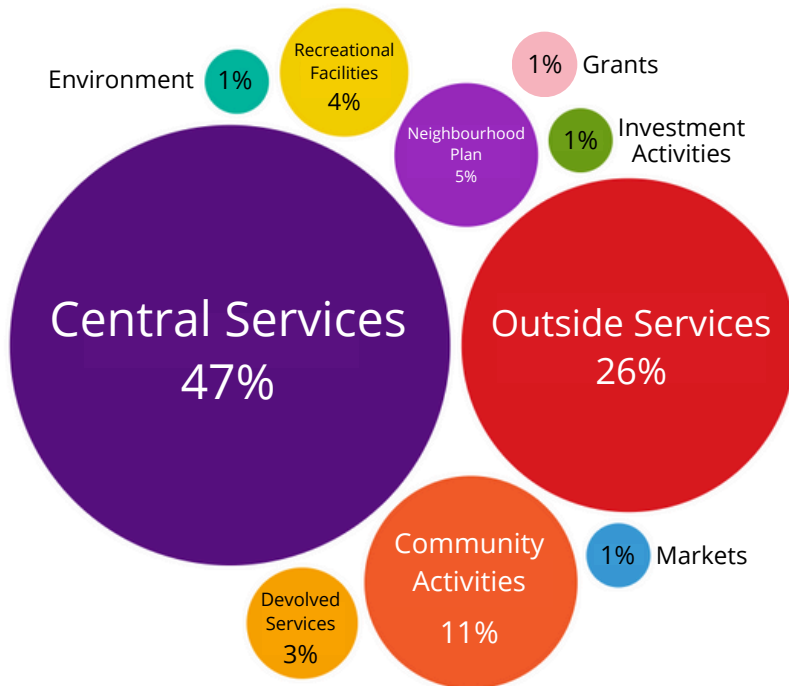

Budget allocated to better cover the Information Centre services and improve the vibrancy and economic development of Thame.

Additional monies for new lift, vehicle replacement, town maintenance, and building refurbishments.

How Thame Town Council uses the precept...

THANK YOU

Thame Town Council would like to thank everyone who completed our online Budget Questionnaire in September 2024. The results provided valuable feedback and helped shape the 2025-26 budget.

We have listened, and in 2025/26 plan to provide projects, functions, and services that the community of Thame expects the Town Council to deliver.

If you would like to provide further feedback we would love to hear from you.
