

Thame Town Council

Business Continuity Action Plan

1. General Statement

1.1 The Council has a Business Continuity Strategy for responding to an unplanned disruption that affects the Town Hall which includes the provision of the recovery site. Following a disruption, the Clerk will contact all members of the Recovery Team who will then take responsibility for the coordination of the Council's response, and throughout the disruption will:

- provide direction and assistance to service areas with regard to the recovery of service activities
- make decisions on the Council's priorities
- co-ordinate resource requirements across the organisation.

1.2 This Business Continuity Action Plan will support the agreed recovery strategy as well as the recovery of business activities.

2. Initial Response

2.1 Once notification of a disaster or disruption has been received, it may be necessary to contact the emergency services and evacuate the Town Hall. The Clerk will notify the Recovery Team and will ensure the following procedures are undertaken.

Activity	Completed	By Whom	When
Call emergency services			
Evacuate the premises			
Direct everyone to stand at Assembly Point (Biagio Jewellers)			
Pick up "Grab Bag"			
Roll Call			
Ensure all staff and visitors' areas are safe Restrict access to affected incident officers at the scene			
Liaise with emergency services			
Record details of any casualties			
Inform next of kin of any staff casualty			
Execute any relevant media communication

Appendix B: Communicating with Staff

B.1 Call Procedures

Use the following guidelines when notifying staff of an incident. Before making any calls, decide what you want to say and what you want the person you are calling to do. Update the Telephone Log (B.2) after each call to confirm whether or not contact has been made, with any relevant comments.

- Give a brief report of the current situation, speaking calmly and clearly
- Provide details of the location from where the recovery process will be coordinated, together with a contact telephone number they can call
- Check that the person you are calling is fit, able and available for work
- Ask the person to stand by and await further instructions, work from home, or go to a specified recovery site as required (confirm arrangements and timescales)
- Tell staff not to discuss the situation with anyone external to the Council

Staff Unavailable

- If the phone is engaged or there is no reply, call again later or try another contact number
- If someone else answers or you reach an answering machine, leave a message asking the person to call you as soon as possible. Try another number.

B.2 Telephone Log

This log should be updated for each telephone call made.
